Cancellation Policy

Members must provide at least 72-hours notice in order to cancel a shift and notify the SLOBs Volunteer Coordinator listed in the event details in Track it Forward. If you are uncertain who to contact, please email the VP Philanthropy. Members who are canceling within 72 hours of an event should make every effort to find a replacement.

Canceling with less than 72-hours notice and/or not showing up for an event is not acceptable. Members who give no notice before missing an event (“no-shows”) will receive a warning for their first offense. A second or more “no-show” will result in the members’ accrued service hours being deducted for the same number of hours that they signed up for at that event.

If a member has a last-minute emergency and must cancel the same day of a scheduled event, they must communicate this to the Volunteer Coordinator and/or VP Philanthropy.

Dear Kalana,

We need more volunteers for this Sunday's event with our friends at Crittenton. Without at least a few more volunteers, we will have to cancel the event. The sports days are something the Crittenton residents really look forward to, so we hope we don't have to disappoint. [Click here for more information](#). Volunteers must be vaccinated. If you have any questions about the event or Crittenton, please email the Volunteer Coordinator, [Nicole Yi](#).

Warm Regards,
The Fullerton Service League of Boys
